PROFESSOR CHEN EDUCATION PALACE

Duration: 30 hours

Length of each session: 3 hours

Number of sessions: 10

Teaching platform: Zoom

Teaching language: English

Are recordings available: Yes

Tuition policy: We understand that our class may start BEFORE MAA (AMC organizer) formally announces AIME cutoffs (in the past, the cutoff scores were announced in mid-late December). However, if our class starts too late, then we cannot give students comprehensive training for AIME. Therefore, we have decided to start in early December.

We also understand students and parents may be concerned it is a waste of their time and money if they enroll in our AIME course but finally be notified of not qualifying for AIME. Therefore, we adopt the following tuition policy:

We allow students to delay paying their tuition until MAA announces AIME cutoffs. For example, suppose MAA announces AIME cutoffs on 12/15/2023 (we will have run two sessions by this date). Then students can delay paying their tuition until this date. On this date, if a student decides to continue to take our course, then s/he needs to pay us full tuition. If a

student decides to stop taking our course due to not qualifying for AIME, then s/he automatically quits our course and does not pay tuition.
